In order to hold a sponsored event, a business must hold a Capital PIA Corporate Membership (priority for hosting a sponsored event will be granted in Platinum, Gold, Silver then Bronze order).

Another benefit of Corporate Membership is that the business owns the membership, therefore if staff members change the company can re-allocate that portion of Corporate Membership to the new staff member. Whereas if the staff member's Capital PIA membership was in an individual name and their subscription was paid by the company Capital PIA would not be in a position to stop magazine delivery and reallocate to another company representative, that individual would effectively own their membership until it came up for renewal. So Corporate membership gives companies total flexibility on who receives membership benefits.
