The *Capital Property Investor's Association* (Capital PIA) is the local association for landlords and property investors and is the greater Wellington region's representative for the New Zealand Property Investors Federation (NZPIF). The *Capital Property Investor's Association* is a non-profit organisation developed to provide an opportunity for property investors to network, learn and become more professional in all facets of being an investor, landlord and property manager.

*Capital PIA's* purpose is to enable property landlords and investors to network together, become more professional and therefore more successful in their property management and investments. By belonging to a local Association, members can network to obtain information on a huge range of topics.

*Rolling subscription system operates so 12 month subscription commences from your joining date*

*Bronze, Silver and Platinum Corporate Memberships are also available.*

In order to hold a sponsored event, a business must hold a Capital PIA Corporate Membership (priority for hosting a sponsored event will be granted in Platinum, Gold, Silver then Bronze order).

Another benefit of Corporate Membership is that the business owns the membership, therefore if staff members change the company can re-allocate that portion of Corporate Membership to the new staff member. Whereas if the staff member's Capital PIA membership was in an individual name and their subscription was paid by the company Capital PIA would not be in a position to stop magazine delivery and reallocate to another company representative, that individual would effectively own their membership until it came up for renewal. So Corporate membership gives companies total flexibility on who receives membership benefits.
